### Objectives

- To establish the training programme for developing the required skills for the four target groups
- To run the training sessions for developing the skills for the four target groups

### Description of work

- Establishing the training programme for developing the required skills
- Compiling and selecting training sessions for acquiring the skills
  - o Basic nuclear topics for non-nuclear graduates
  - o Design engineers of GEN III nuclear power plants
  - o Construction engineers of GEN III nuclear power plants
  - o Design engineers of GENIV nuclear reactors
- Running the training programme for acquiring the necessary skills with a number of trainees: scientific visits, case studies, good practices
- Validate the training modules

### Deliverables

- Skills development programme for the target groups
  - o D.3.1 Basic nuclear topics for non-nuclear graduates
  - o D.3.2 Design engineers of GEN III nuclear power plants
  - o D.3.3 Construction engineers of GEN III nuclear power plants
  - o D.3.4 Design engineers of GENIV nuclear reactors
- Running the skills development programme with training sessions, case studies, scientific visits and practice work
- D.3.5 Evaluation of the skills development programmes with feedback from teachers, trainees and future employers

### Milestones and expected result

- M.3.1 Establishment the skill development programmes for the four-type target groups
- M.3.2 Organising the skill development programmes
- M.3.3 Evaluation of the skill development programmes
