

NUCLEAR DAYS 2023

• Student poster competition

14.–15.9.2023

for the conference

Nuclear power – the way out of Europe's energy crisis

If you wish to introduce your thesis or research in the field of nuclear power engineering, this is the opportunity you have been waiting for!

The conference, which forms part of the 13th Annual Nuclear Days, will be held on **14–15 September 2023** at the **University of West Bohemia in Pilsen**.

Submitted posters will be divided into three categories according to the study or thesis and will be subsequently evaluated by an expert jury. The creators of the best three posters in each category will be awarded a monetary prize.

Register your poster for the competition by **Monday, July 31, 2023** on the Nuclear Days website, where you will also find further information.
